WORK DAYS ARE HERE! THE FIRST WORK DAY OF THE FALL IS THIS THURSDAY, September 22nd at 3:00 PM. We'll have pizza for the afternoon workers. Project: remove dirt, install some Item #4, build footing forms. We hope to finish up before dark. Additional work days: we will pour footings, install drain tile, build the short wall and pour the concrete floor. Work on the Kitchen side of the wall is also in the planning stages. Several have pledged toward Kitchen cabinets & equipment & already \$1,138.00 has been paid. People are continuing to make payments on their pledges each week, and it's not too late to commit to purchasing a cabinet, or portion of a cabinet. See chart in the Foyer.
